MN1.COM TO INTERVIEW TRIMEDYNE'S CHAIRMAN LIVE ON JUNE 14

June 13, 2007 – Lake Forest, CA: TRIMEDYNE, INC. (OTCBB "TMED") today announced its chairman, Dr. Marvin P. Loeb, will be interviewed live on Market News First (MN1.com) at 3:30 p.m. Eastern Time on Thursday, June 14, 2007. The interview can be heard by going to www.MN1.com.

Dr. Loeb will discuss the Company's worldwide marketing alliance with Boston Scientific and Lumenis, Ltd., who will distribute Trimedyne's new Side Firing Laser Fiber as an accessory to Lumenis' Holmium Lasers for the treatment of enlarged prostates in men. About 50% of men over age 55 suffer from an enlarged prostate, an estimated \$700 million annual market. Dr. Loeb will also describe the \$600 million potential market for the Company's outpatient laser procedures to treat herniated or ruptured discs in the spine, its four consecutive years of profitability and its current financial condition.

Commenting on the upcoming interview, Dr. Loeb said, "We are pleased that Market News First has chosen to interview us, and we are gratified by the attention being paid to Trimedyne's four years of profitability and the potential for growth due to Trimedyne's worldwide marketing alliance with Boston Scientific and Lumenis and Trimedyne's outpatient spinal disc procedures.

About MN1.com

Market News First is an online, market news provider that brings investors current news on the market. Market News First is the only online, live interview web site that brings real market news to investors and features live interaction with companies from the Bulletin Board to NYSE.

Through daily interviews, MN1 alerts investors on promising companies and the newest opportunities in the market. Market News First offers one-on-one interviews with the presidents and CFOs of companies and provides insight into the companies' present condition and future plans.
